WHAT TO WEAR / WHAT TO BRING: Please dress accordingly. During the springtime or high flows, we recommend a farmer john wetsuit w/a paddle jacket (waterproof pullover) and tennis shoes. **DO NOT WEAR ANY COTTON CLOTHING** during the spring. Wetsuits are required before June 1 or if flows are above 5,000 cfs. During the summer months, please wear a bathing suit or shorts, tennis shoes, cap or visor, sunglasses w/safety strap and **SUNBLOCK!**

For overnight trips we suggest: tent, dry change of clothes for evening, towel, toiletries, flashlight, rain parka (for inclement weather), sleeping bag, ground cloth, pad and extra money for miscellaneous purchases.

Keys & Valuables: W.E.T. is not responsible for your valuables, car keys, etc. All lost items are donated to local organizations. If we need to mail back your items, you will be responsible for the postage. Please provide your own method of securing your car keys. We suggest a hide-a-key placed in an uncommon location on your car or attach a small secure loop around your key and attach it to your belt loop or through your tennis shoe. (No dangling strings allowed due to safety reasons)

TIPS & Gratuities: If you would like to tip your guide, tips of 15% - 20% are usually customary. Email us with your input regarding our guides.
